[Login](#)
[Home](#)

< Nav >

A diagram of a login form. It consists of a table with two rows and two columns. The first row has the text 'Username' in the left column and an empty text input field in the right column. The second row has the text 'Password' in the left column and an empty password input field in the right column. Below the table is a rectangular button labeled 'Login'. A blue arrow points from the left edge of the image to the 'Username' input field.

Username	<input type="text"/>
Password	<input type="password"/>

Login

Heading should contain logo and banner img

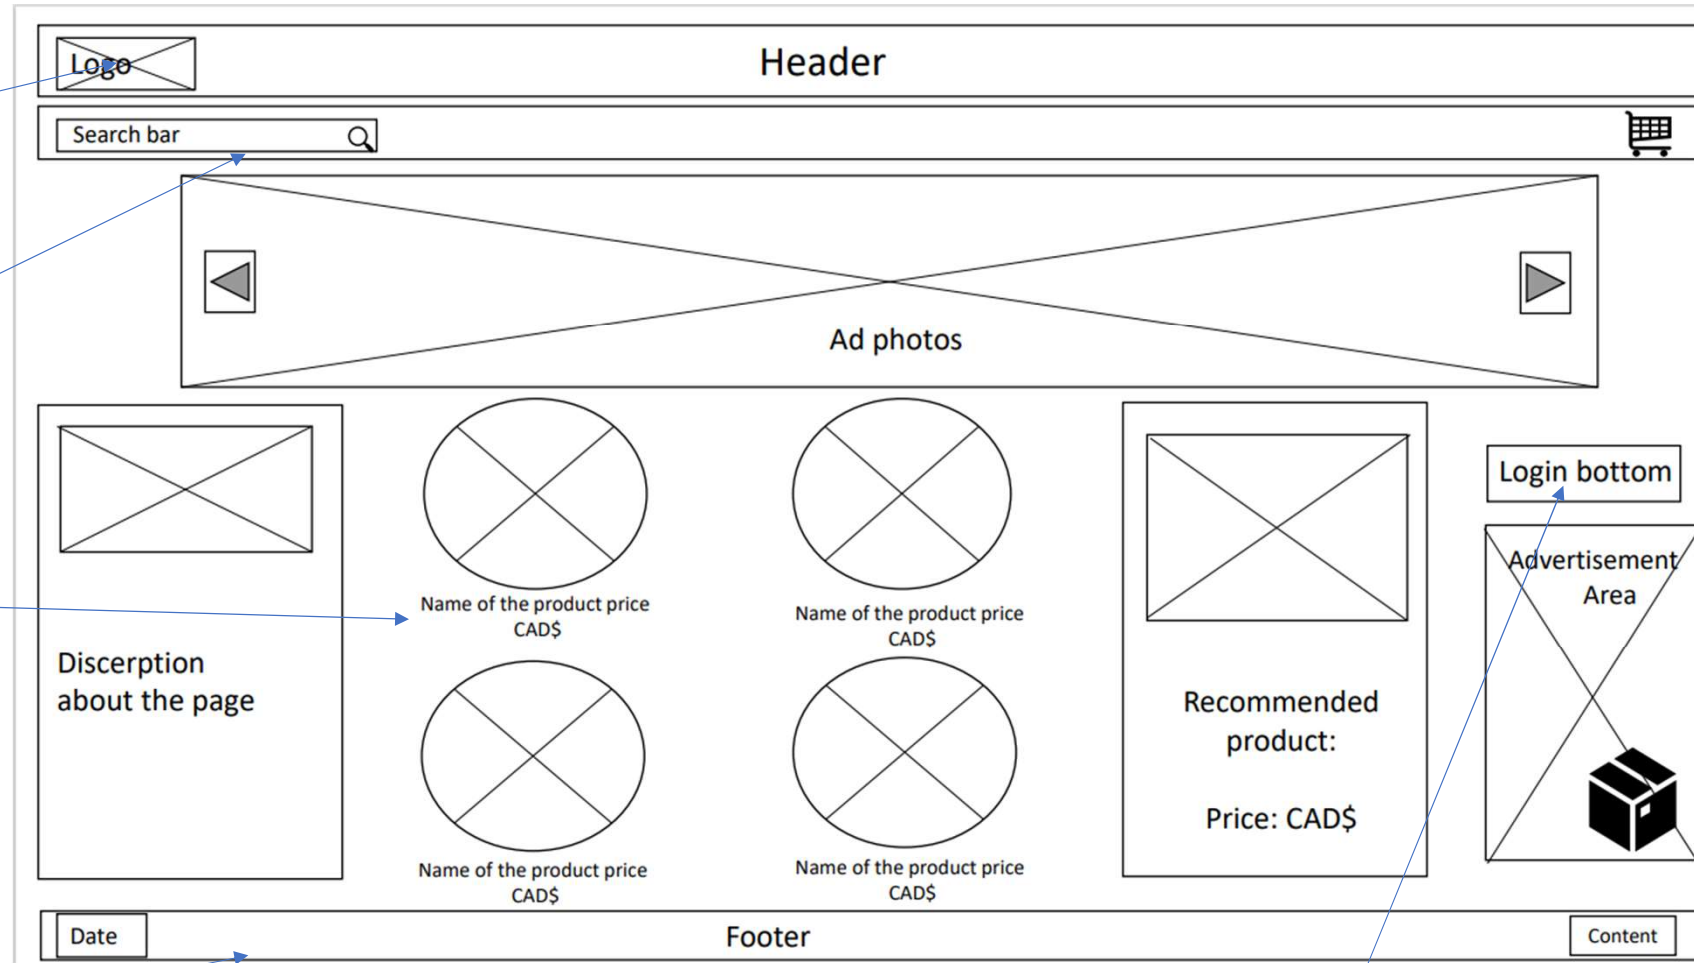

Nav bar for login page the hyperlink should contain login and home
